Macbook Pro/Air 13.3 Carrying Case

1 Thank you for choosing the amCase Macbook Case. Begin by opening the case and placing your device down on the side with perforations.

2 Open your Macbook.

3 Insert the bottom corners of your device into the corresponding built-in pockets in the corners of the case.

4 Repeat this process with the screen's top corners, and the top of the case.

5 You can use the button-snap to close the case securely and the handle to carry your Macbook around.

6 Now your device is safe and secure, and ready to take on the go!
